

Stm32f7xx\_system

STM32F7xx\_System\_Private  
\_Functions

```
graph RL; A[STM32F7xx_System_Private_Functions] --> B[Stm32f7xx_system];
```

The diagram consists of two rectangular boxes connected by a horizontal arrow pointing from right to left. The box on the right is shaded gray and contains the text 'STM32F7xx\_System\_Private' on the top line and '\_Functions' on the bottom line. The box on the left is white with a black border and contains the text 'Stm32f7xx\_system'.
