

DMA2_Stream2_IRQHandler

```
graph LR; A[DMA2_Stream2_IRQHandler] --> B[tasks_critical_left]; B --> C[saturate_voltage];
```

The diagram illustrates a sequence of three components connected by arrows. The first component, 'DMA2_Stream2_IRQHandler', is in a white box. An arrow points to the second component, 'tasks_critical_left', also in a white box. A second arrow points from the second component to the third component, 'saturate_voltage', which is in a gray box.
